Hi Vincent,

I met with Bridgewater officials to select a site for the bike rack at Bridgewater Crossing. We (BCCED) approved a location at the west end of the parking lot for the bike rack. We are excited to have this amenity at the site to encourage use of the trails and sidewalks in the site and connecting to the trail system at the confluence of the Beaver and Ohio Rivers.

Thanks for the assistance of the ORTC to provide the bike rack for Bridgewater!

Yours truly,  
Laura
