Blaze Symbols for Hartwood Park Trail Map

Blue Loop:  Blue Loop Access: 

Blazed trails are marked with solid rectangular blazes and are represented by a solid colored line on the map. Access trails and connector trails have a dotted blaze and are represented by a solid line overlaid by dashes.

To clarify the blazes, a blaze symbol points to its corresponding blazed trail.

This map combines 2 different Identification systems for the same network of trails -

- 1) The system of blazed trail loops (where a loop often contains several individual trails) developed by Allegheny County and
- 2) The system of individually named and numbered trails and the numbered posts that mark them in the woods, which was developed as an Eagle Scout project.
