

South Park - Paved and Woods Trails

Trail Blazing
(and Double Blazing)

A blaze is a paint mark on a tree next to the trail.

Follow the blazes to follow the trail.

A double blaze (like the one above) indicates a trail intersection and turn, or a sudden turn, or some possible point of confusion that requires your attention.

When you see a double blaze, stop and look for the next blaze!

Trail Legend

- Bison Ridge Trail - 6 Miles
- - - Fairgrounds Trail - 1.38 Miles
