Dr. Vincent Troia
Chief Executive Officer
Ohio River Trail Council
1100 Pennsylvania Avenue
Monaca, PA 15061

Dear Dr. Troia:

Please accept this letter on behalf of the Borough of Monaca authorizing our support for the Beaver County Canoe/Kayak Rack Project.

The Borough of Monaca is in support of this recreational project, which will promote our waterways and provide for additional recreational opportunities for our residents. We are designating a location for the racks at our Public Boat Launch Facility located along the shore of the Ohio River. These Canoe/Kayak Racks will be a great addition to our facility.

We look forward to participating in this opportunity, and please feel free to contact me if we can be of any additional help.

Sincerely,

Mario N. Leone Jr.
Borough Manager
