OHIO RIVER TRAIL COUNCIL LETTER OF SUPPORT – IN KIND SERVICES

Gloria Ralston
Administrative Director
Port of Pittsburgh Commission

Dear Director Ralston,

The Borough of Rochester is the owner of properties along the Riverfront in its jurisdiction where the Ohio River Trail Council wishes to install some devices for storing kayaks and other equipment that it may acquire through your commission's grant.

The Borough is committed to supplying locations at no cost to the Council, which customarily would cost at least \$2000 yearly, depending on the physical length of the storage spaces.

In addition, the Borough's Public Works crews have equipment and personnel available nearby to the Riverfront area to assist with the preparation of proposed sites, and installation of the storage devices and concrete mounting slabs for devices. The value of this labor and assistance is conservatively valued at \$500.

Through everyone's efforts, we hope to make this a valuable recreational asset to the members of our community and beyond.

Sincerely yours,

Dr. C. Dean Galitsis
Administrative Consultant

Cc: David Smith, President
Borough of Rochester
